VISUAL VIAGRA

Dear J18: Thank heaven for naked teens, that's what I like to say! All these young girls poised, trembling at the very brink of womanhood really get the blood pumping to my you know what. And when my you know what has blood pumping to it, it really stands at attention! Whew! Your magazine gives me boners that last for days on end. Visual Viagra, I like to call it! I am so eternally grateful for everything that you do, all the dollies you dress then undress and display is full color spreads (!) for men like myself to devour with our eyes. My girlfriend thanks you too, she doesn't have to work as hard to get me hard. Now when she doesn't feel up for endless foreplay she just tosses me a mag from our stash beneath the bed and tells me to let her know when I'm ready. It works out just great!—Benny in IA

YOU CAN BET ON IT

Dear JUST 18: Are all of the ladies in your magazine really only eighteen years old? Are you sure that some of them aren't, say 20, or perhaps even older? Not that it would make one bit of difference to me, I just think that honesty is the best policy. A few more ears won't deflate my dick one little bit. But if I were trying to date a woman and she lied about her age and I eventually found out about it I think that it would be a deal breaker for me. I don't know why I'm even preoccupied with such a question with so many sweet asses to look at and lovely pink pussyholes. Maybe I'm crazy, I've been called that before.—Jeremy in VT

A HAIRY PROPOSITION

Dear JUST 18: I would like to see naked pictures of girls with really long, really straight hair. I'm not talking about hair that goes past their shoulders or down to their mid back, I'm talking REALLY LONG HAIR. Down to the top of their ass crack at least. I am not too particular about color, although blonde would be nice. Aren't blondes always nice? And it can't be curly or wavy. It's got to be straight, straight, straight. And shiny. It must look clean and freshly brushed. I would like to see a tight bodied young teen with long hair like I described touching herself. Can you please make this happen? Thank you!—Gary in LA

AN ODE TO HOT YOUNG SLUTS

This is what I imagine happens as I look through your magazine and pleasure myself to the photographs in there. Thank you JUST 18.—Larry in WV

Hot, young and slutty
you kneel before me with your mouth wide open
and swallow my manliness whole
wetting it
making it easier
for me to put it into your hole
your precious, precious hole
so moist and beautiful
in between your legs
I push inside of you and hump to my fulfillment
and then I use my mouth
to make you cum
you like it so and beg for more
because you are so slutty.
Young sluts make the world go round.

GETTING INSIDE THEIR HEADS

Dear J18: I wish you could interview the girls in the pictures. I would really like to know what they are thinking and get into their heads. Maybe us readers could write in questions to ask them for example I'd like to know is do you have any pets? And what does it feel like to have your finger inside of your vagina like that? Is it smooth inside or sort of bumpy? Is it soft and cushy or is it more firm feeling? Do you like it when your clit is licked directly or do you prefer the licking to occur nearby instead? Do you like a finger in your asshole while you are being ate out? I like to put a finger in the ass of the girl I am eating. I don't know why but it makes me extra hard. Those are just a few examples of the kinds of questions I would like to ask some of your models given the opportunity.—Mark in CO

THEY'RE JINGLIN', BABY

Dear JUST 18: I think more of the girls in your pictorial sets should be wearing jewelry. I'm talking brightly colored plastic jewelry. In most of your pictures I can imagine what it smells like and feels like to be right there with them. But what is missing for me is the sense of sounds. A few oversized plastic bangles bracelets in their wrists and I'll be able to imagine what it sounds like for them to be jangling and clanking together as they frig themselves off. That would be a might big help.—JJ in UT

Caprice

I've already confessed to being the adventurous type, the kind of girl who likes getting naked in all sorts of strange places. A few issues ago I flaunted my pretty privates on a train but because of all the people nearby I had to leave some of my clothes partly way on so that I could make a quick (and clothed!) escape if caught. A hot babe like me with her beave hanging out can sometimes cause trouble. This time, though, I'm taking it ALL off. Every. Last. Stitch. There are plenty of folks wandering around where my car is parked right now, but I want to roll around on my backseat. Any passersby that happen to glance my way will get an eyeful, that's for sure. It makes me so horny thinking that I might give an unsuspecting stranger a boner that I'm gonna have to have myself. Right here, right now.

The one thing I care about in this world, and that is having a good time. I bring the fun wherever I go, and by "fun" I mean my tiny lavender vibrator. That way, no matter what situation I walk into, I am guaranteed to have a good time. All I gotta do is find a secluded spot to hole up in and tickle my holes and whee! I'm blasting off to blissville. People always say that I've got so much spunk and I guess they're right, although when I hear that I giggle to myself and think 'if they only knew the half of it!' I see to it that I secrete plenty of she-spun. Oh yeah I do, proolly more than the average girl. I can't help it if I'm hornier than most, can I? I'm super cute and over sexed...baby I was born this way! **i8**

THEA & LILY

Lily and I have been good friends forever. We know each other so well, inside and out, that sometimes when I touch her I feel like I'm touching myself. Especially when I make her cum. It turns me on so much that it's like I'm the one cumming. If I suck on her titties, I can feel her nipples get really hard between my lips and my own nips get hard at the same time. When I kneel down and put my mouth on her pussy, she rocks her hips on my face and rubs herself on me until I can taste her honey and then my own pussy hole is dripping wet, too. We always kiss for a long time after eating each other out and at first I can taste myself on her mouth and she tastes herself on mine but then we mix together and can't tell each other apart. It's awesome being this close to someone!

HORNDOG'S NOTEBOOK

BY MIKE THE PILGRIM

"Hey guys! Read about a weary seeker who got comfort for his SOUL by putting his wiener in a HOLE! Sorry, I just couldn't pass up that rhyme! But whaddaya expect from a porn girl like me??"

"Taste Me And Awaken!"

Things had been rough for me lately and that humid night in mid-summer, I couldn't sleep. I went down to the street for a smoke, and then started walking without knowing where I was going. I had so many things to figure out, like how to find a new job in this tough, unforgiving, recession-wracked city. Walking helped clear my head.

It almost seemed like serendipity that I walked far west, toward the river, and came upon the little storefront that said SOUL COMFORT in orange and green neon letters. I'm not an especially spiritual guy, but there was a good aroma of coffee coming from the slightly open door that invited me inside. I saw the java urn on a small table right inside the doorway. In the warm light of old-fashioned lamps were about twenty people of varying ages and ethnicities sitting on metal chairs in front of a small platform, on which stood an elderly but bright-eyed man who was lecturing on why people should not lose hope. I'm living proof, pilgrims, that you can weather the storms of fate and come through with a glossy grin on your face and pleasure in the new morning's sunshine.

I have not aligned myself with any faith or creed save for the belief that this Universe, capital U, will not abandon us and will set us on the Right Course, capital R and capital C, for all our lives. Drink your coffee, say hello to the pilgrim at your side, and take heart in the healing elixir of new friendships in the hot dark night! And remember that you can always come here to me, Daniel DeBrukiss, for Soul Comfort when you need it most! Maisie Rae, will you now pass the hat?"

Maisie Rae was a sweet-looking girl who couldn't have been long out of high school, which made her about half my age. As she moved around the gathering, our eyes locked across the room, mostly because I was standing in the back drinking my coffee and looking at her as if her pretty self was the only possible answer to any problem I might have. Well, I told you I'm not a very spiritual guy.

When she came up to me, I put a dollar in the hat and she smiled. "You're the one, pilgrim," she said. Her voice was so soft I wanted to pet it. "Mr. DeBrukiss tells me to pick out one person each night for special guidance, and you're the one."

"Who is he?"

"A man who's survived the lion's den of life and helps others do the same. That's why he's named Daniel. I'm his friend...and now yours."

"How do you know I'm not some kind of—"

"Some kind of what? I'm not afraid of you, pilgrim. We're both protected by the Universe, capital U, at its Best, capital B."

Losing my job was turning out not to be such a bad thing, if it led me to interesting chicks like Maisie Rae. Mr. DeBrukiss was circulating throughout the room, talking to everyone else, but Maisie Rae took my hand and led me outside. Her fingers felt small, gentle, and warm. She was wearing a simple dress and I could tell she wasn't wearing a bra because her sweet apples bobbed against the

front. Her

bare legs ended in ballet flats, most girlish of shoes.

She took me through a doorway, next to the SOUL COMFORT storefront, that led upstairs to an apartment. Once she turned the lights on, I could see it was small but cozy. Then she led me into her room, even more cozy.

"I live with Mr. DeBrukiss, not in lust but in friendship. I saw his ad for an assistant in our hometown paper right after I finished high school, and have worked for him for two months here in the big city. I may go to college someday, but for right now I'm helping him bring hope to people in our crazy world." She lay down, still in

her clothes, on the bed. She slipped off the ballet flats and I saw the bareness of her smooth soles. She wiggled her toes. "You look like you need sleep."

"You don't even know my name," I said, amazed by all this.

"You can tell it to me if you like, pilgrim."

I smiled. The way she kept saying the word "pilgrim" reminded me of how John Wayne used it in one of his famous westerns, I forgot which. "I guess I am a pilgrim, but stumbling upon the shrine," I said, sitting down on the bed. "The name's Mike, though."

"Mike the Pilgrim," she smiled, running her hand over my face, and pulling me down for a kiss.

Her body was all squirmy and eager under the dress, nipples stiff and mound moist under the panties I could feel through the fabric, but all we did was kiss and hug in the amber light of the bedside lamp until we fell asleep, still clothed.

* * *

I woke up when the light came in through a slit where the shade didn't quite meet the window, and there was Maisie Rae standing naked in front of me. My mouth immediately started to water. I tell you, all this weird but sexy stuff could turn any guy spiritual!

"Sometimes words are not enough for some souls to find comfort," she said, with that soothing but girlish voice, "yes, sometimes other things are required. That's what Mr. DeBrukiss has taught me. We are all pilgrims and we all find hope in our different ways. I found hope myself through my body; I needed to believe in the truth of its needs. Believe me, when I denied that truth I was an unhappy girl!" She ran her hands over her breasts and tummy and throat and face and hair, and then with a smile slid her hand down to her smooth mound and let a finger sink deep into the slit. I could hear the squish. She sighed deeply and then took out her finger and held it to my lips. "You need this for breakfast for your night to truly end. The sun is shining but your soul is still in the dark, Mike the Pilgrim!"

No sooner said than done! I sucked her finger all the way into my mouth and then I reached up and took her by the waist and she moved over me like butter sliding across a hot pan. We were meant to be together, at least at this point when the Universe was clearly at its Best. I felt her round butt under my fingers as we kissed, her tongue tight against mine. I was still dressed, of course, since I'd fallen asleep in my clothes, but that situation was quickly remedied. Then she was stroking my cock as I marveled at her titties and sucked them hungrily. She moaned and told me to keep doing that until finally she couldn't concentrate on anything but the idea of me inside her. "But let me get ready first, pilgrim," she said, telling me to stand up while she lay on the bed and gave me a masturbation show that must have been awfully spiritual and way above me, because for the life of me I couldn't understand what was spiritual about it. It just looked fleshy to me but maybe that was the whole point: maybe it was beyond flesh but I just couldn't see it. I needed more education, and I was ready to say "Thank you, ma'am" to Miss Maisie Rae if she would just lead the way to my enlightenment. The dear sweet eighteen-year-old just lay there and played with herself and rubbed her boobies and worked herself into such a total state I was going crazy

watching her, but damned if she wasn't correct not only did I feel utter and complete horniness, but also unremitting hope: because if such a fucking bizarre thing could happen to me, it was indeed possible that my fortunes would turn around and I would find a new job and get through this damn unending recession. And at that point Maisie Rae held out her hand and pulled me into her and I fucked her like a demon. No—correct that. Fucked her like a pilgrim! A happy pilgrim was I.

I'm a pretty simple girl. I don't find much use for fancy things. I like home-cooked meals, fresh air and clean living, and when I feel frisky I handle it myself. I have a fingers-only policy when it comes to my cooter and, as far as that goes, only MY fingers. Why would I want to go shovin' any unfamiliar foreign objects up there? Especially the ones attached to the front of boys... Yup, you read that right, I'm still a virgin. And I'm mighty proud of it! And I will stay this way until I meet my true love. But until then my bean needs a good flicking like any other girl's. I like to suck on my finger for a bit first to get the tip nice and wet and then I draw little circles 'round my nub till I can't take it anymore and sink my fingers inside.

WILL TO YOU

Katey, Ally & Bella

My friends Ally, Bella and I like to have slumber parties where we stay up real late and tell each other all our sexy secrets. When I confessed to them that I had never been bugged up the butt before, well, they decided that it was their duty to de-virginize my derriere. So we took off all our clothes and made out for a while and messed around with a dildo the regular way in order to get me to relax. But a little while later I was still nervous so Bella told Ally and me to stick her in the stinkhole first so she could show me that there's nothing to it. As soon as I saw her take that with the toy in her tush like a champ I wanted my turn and then two of them gently took my little roesbud's flower. When Ally kissed it afterwards I came! Hard! Then she wanted her ass stretched too so Bells and I obliged, and by the end of the night all our starfishies were totally shot!

LYNSEY

28237

Whenever I'm feeling down, I treat myself to a little pricknic to lift my spirits. I pack up my bag with a towel and some treats, toss in a few dildos and then head out to find a secluded, grassy spot where I can get comfortable and tickle my taco. After a few moments of lounging outside in the sunshine, enjoying the feel of a cool breeze on my skin and a cock-shaped toy snug in my cunny, my stress evaporates and I start to smile. My grin starts down low between my legs with my soft pussy lips stretching and flexing around the shaft of my favorite giggle stick. Then it moves to the tips of my titties and makes my nipples tingle as an orgasm builds up deep inside my divit. Finally it spreads to my face as I cum, laughing out my orgasm towards the blue sky above. 🍌

CRUSADING FOR THE COCK

by Isabella Myrzen

28179

My roommate Amber was back from her "boyfriend's" room on the male side of our dorm, and she was crying again. What the hell! "Why won't Jacob fuck me, Isabella? Is there something wrong with me?" Amber curled up on her pink bedspread, barefoot and tear-streaked.

No, I thought, there's something wrong with Jacob Strunkell if he didn't want to put his cock in somebody as cute as Amber, and I was going to find out what game he was playing.

Still, as I hurried across the enclosed walkway that attached the two sections of the dormitory, I had to remind myself that Amber was being a wuss about the whole thing. If Jacob would only allow her to suck his cock, then why didn't she just dump him? But she was no more rational than any female when a hot guy gets to us. And I could see why she didn't want to let go of Jacob so easily. He had hotness. More than his share.

When I got to his room, the door was open and he was lounging in a chair, wearing shorts and a tee, his bare feet propped up on his desk as he listened to music and studied a geology textbook. The college made everybody take geology as a requirement sometime during our four years. I took it first semester to get it out of the way. Obviously Jacob, a junior, had put it off. Well, I thought sarcastically, it's so very relevant to the world we're going to be living in when we graduate!

"All right, Strunkell," I said, "what's with you and Amber?"

He smiled. No girl was immune to that smile, and I knew I took a chance coming here. "Close the door, Belly,

and I'll tell you."

"The name is Isabella, not Belly."

"Touchy, aren't we?"

I closed the door. Yes, I closed the door.

"You're driving Amber more than slightly insane, Strunkell. You only let her blow you? And you don't let her stay over? There's room enough for two to sleep and study here. Jeez, the girl is off the chain for you, Strunkell! After all, your roommate is always over in Ganzel Hall with his girlfriend. You got privacy."

Jacob put his book down and stood up. He seemed to really take up a lot of the space in the room—not with his body, but with his charisma. "Yeah, so I got privacy. Maybe I don't want to share it with her in particular."

"Stringing her along, Strunkell? You bastard—"

"Maybe it's you I want, Belly."

"I want you to call me Isabella."

"I bet you do."

He reached over and wrapped his arm around my waist. His face came near but all he did was smile. Where does a guy learn the confidence to do stuff like this? It must run in his genes. I saw his move coming but I didn't do anything to fight it. I guess I liked the scenario, damn me to the special hell for disloyal roommates! I'd been kidding myself. Jacob and Amber were a totally bad fit. I'd

stroked my button more than once thinking about Jacob and ME. I was ashamed to admit to myself that he could call me Belly all right, and even cum on mine. I wonder if watching porno had ruined me. I took a break from studying every now and then and caught up on a few tube clips.

"I-sa-bella," he whispered, kissing the side of my face. "Is that better?"

"What's your game, Strunkell?"

"I've just been setting bait for you. Don't you know? Feisty Isabella, standing up for her roommate. I knew

you'd show up one night, crusading." He laughed. "Crusading for my cock, that is!"

"You bastard."

"Then fight me."

I wasn't about to do that. I reached up and kissed him hard on the mouth. I could feel his prick upright inside the front of his shorts. Oh I hated myself, but I couldn't think more than five seconds into the future. When you're eighteen, I guess you sometimes make decisions that way—like your future is only five minutes long.

"What am I going to tell Amber?"

"Keep it simple and we'll figure something out," Jacob said, lifting me

up to carry me only three feet over to the bed. He put me down, then joined me. We kissed for a long time and our hands went all over our bodies through our clothes. Then suddenly our clothes were gone. I mean, we took them off, but I hardly remembered doing it.

I got on my knees and sucked his cock. I could see why Amber was frustrated. This thing was beautiful, hard and veiny and hot as it filled my hands. I rolled it between my palms, cupped my fingers under the balls, and took the shaft in my mouth. I put my head at an angle and showed Jacob how well I could do it. I took a

lot into my f... looked that way, with meat in there. I'd used mirrors and my Flip cam to study my technique. It's all about presentation—I'm going to be a marketing major. Oh, but what a disloyal bitch I was, betraying my teary roommate with every slurp. Well, she had been a wimp! She should have taken a hint that he was up to something with the blowjob-only diet.

"Oh Belly, you're gonna make me cum—"

He called me Belly again and I didn't protest. My mouth was still full.

"No, Belly; I wanna fuck you. Right now."

So I crusaded my way right under his cock. Jacob laid me out on the bed and our fingers linked as he sunk his bone into my hole. Oh jeez it felt good, and I clamped my bare feet around his waist. "Fuck me good! Oh you lousy bastard, make this worth my while!"

He laughed but didn't miss a stroke. These junior boys knew a few things, all right. The freshmen in my class had nothing on Jacob. Two years can make a difference.

I closed my eyes and felt my nipples brushing against his chest as he banged me fast. I broke my hands away from his and grabbed his ass. I like the feeling of a guy's butt under my fingers. I squeezed him hard. He kissed me deep and the bed shook with every thrust of his cock. Then he buried his face against my neck and I took the lobe of his ear between my teeth and pulled on it. Soft and vulnerable. Then I let go of it, closed my eyes, and just let myself become one with the dick banging my hole.

He lifted himself up, braced his body on his hands, and looked right at me with that killer smile and said, "It was all foreplay for you, Belly. Every time she sucked me, I was sending out the word to you. I knew she'd blab, she's the type. And I knew, I knew you'd come around eventually. Thanks for proving me right. Thanks for sucking my cock. And thanks for taking my cum!" And then he pulled out his dick and shot his stuff all over my belly.

It was like a lake, so nasty. I grabbed his thigh and pressed his leg against my clit and then suddenly I was cumming too, right against his knee while his cream gleamed on my tummy.

"I'm a bad person," I said. "I should not have done this to Amber."

"Don't worry about it. But I do. What will I tell her?"

"Say it was like something out of geology. The earth moved for us, we couldn't help it!"

Ah, so the damn course was relevant af...

Sammye & Jason

I love it when my older brother is home from college for the weekend because it means that all of his super hot friends will be at to our house. I especially love it when his hunky pal Jason visits. Ever since I turned eighteen he's taken an interest in me, and the last time I saw him we totally hooked up. He stopped by one afternoon looking for my brother but nobody was home except me. We started flirting and one thing led to another and we totally ended up doing it right on the living room couch! I gave him a BJ and he munched my box, we did 69 and then he fucked me from every angle imaginable. I came so many times I thought my pussy was gonna explode! Then he shot his wad in my mouth and I ate up every last drop. I can't wait till he cums—oops I mean comes—again!

It always takes me a while to get ready to go. I have to pick out a cute outfit, take a shower, put on make up, fix my hair, polish my pearl. I never leave the house without having at least one incredible self-served O under my belt. Nothing's better than greeting the day with a big grin on my face and a secret sticky smile in that special place between my legs. I keep plenty of toys stocked under my sink especially for my privates playtime so I can just pull one out and pop it in my puss while I'm in the loo gettin' all dolled up to face the day. I put my primping on pause to slide that fuckstick in and out of my box, nice and easy, sweet and slow, until I cum. Then after that I'm ready for anything! **i8**

BULLET
Sale to min

My boyfriend tries to drag me camping out by the lake all the time. According to him, nothing compares to getting it on in the great outdoors. Thing is, I don't really like camping much.

So when we do go we tend to fight all the time. Which means he wanders around the woods while I pout alone in the tent. At least he *thinks* I'm pouting! I learned long ago to always pack a dildo with the rest of my gear so that I have something to do when we get into a tiff—myself! So after we squabble and he storms off, instead of feeling upset I start feeling myself up. Touching my titties always makes me horny. Then I open my legs real wide and plunge that plastic prick in balls deep. I cum so loud I scare away all the critters nearby! Which makes me feel both safe and satisfied. **18**
